Dear Mr. Fuderanan,

In its dedication to enhancing the development of our students, STI requires them to undergo the On-the-Job Training (OJT) Program. This program aims to help our students develop competency in their chosen field by arming them with the primary experience, knowledge, and attitude essential to aid their transition from being a student to being part of the workforce.

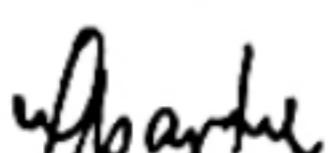

With this, we request your good office to be our partner in achieving this goal by agreeing to be the Host Training Establishment for Warren Joshua Gaor, a Bachelor of Science in Information Technology student, for a total of 446 hours.

We believe that the experiences and learnings he/she will receive from your office will significantly complement the knowledge, skills, and attitude that he/she has acquired from our school.

Should you have any questions, kindly contact me at (+632) 8294-4001 Local 210 and/or marilou.bartolome@caloocan.sti.edu.ph.

Thank you.

Respectfully yours,
