Dear Ma'am:

As a part of the BS Psychology program of our college, students enrolled in this course must undergo an OJT. This would give them the chance to be exposed to the actual working environment and apply the theories and principles they learned from their studies.

As a well-established company, we believe that you are perfect partner in achieving the objectives of our OJT program. In this connection, we would like to request your office to accommodate some of our students for their training.

We would like to recommend our student, **PALULAY, MARA CONCEPCION P.** to undergo training in your company with a total of **(150 hours in Industrial Setting)**; at the end of the training, we require our students to submit their certification and an evaluation of their performance from your company.

We would highly appreciate whatever assistance you could extend to us that would in a long run, be both beneficial to the students and your company. We believe that your company can provide the relevant exposure to future Human Resource employees, thus ensuring the continuous supply of highly qualified personnel for the industry.

We are hoping for your positive response. Our Institute is working forward to a continuous and harmonious relationship with your company.

Thank you and God bless!

Truly yours,

JOLLY A. MIGUEL Ed. D
